

**PHENOMENOLOGICAL  
CONSTELLATION AND  
MOVEMENT ART AND BODY  
AWARENESS CAMP AT  
ADRIATIC with Edó Gergely and  
Paco Alfonsín**

Croatia, Hvar Island, Vrboska  
village, 27<sup>th</sup> of August - 4<sup>th</sup> of  
September

We warmly welcome you to one  
of Europe's most beautiful  
islands for an intensive summer  
camp, where you will have time  
to relax alone or in company in  
addition to the programs. The  
beautiful beaches, clear water,  
quiet village, and hidden coasts  
are just a few steps away from  
the campsite. Although there  
will be endless opportunities to  
just splash around, sunbathe,  
and go on excursions on foot,  
by bike, or by bus, this is still a  
camp where, despite the  
tempting surroundings,  
participants are required to take  
their participation in the  
programs seriously.  
Participation in the camp can be  
exchanged for three days of  
participation in the Nelles  
Institut Transylvania basic  
experience group (former called  
basic training)
